For active employees, the announcements for the excursions will be sent 2 or 3 weeks before by e-mail and will be posted in Uetlihof and Horgen.

For other members, the announcements will be sent by post. By calling the phone number 1600 there is the possibility to find out if the day excursion is taking place or being moved to another ski-region.

Also, in case of bad weather or a lack of snow we will aim to find another ski region at short notice (2 to 3 days before the excursion).
